MOVING FORWARD

***** NEW NAME – NEW LIFE CHRISTIAN CHURCH *****

***** NEW LOOK – SIDING, CANOPY ROOF, & RAIN GUTTER *****

These changes represent a major investment in our building and in the future of our church. There is much yet to be done, not just to make our property an appealing place to worship God, but to advance our goal of becoming more like Christ and reaching the lost for Him.

BIG THANK YOU

Git-R-Done Home Improvement for putting up our new siding. They did a great job!

Chuck's Seamless Aluminum Gutters from Westby donated the rain gutter for the canopy in front. This should be a major improvement for ice this winter.

WHAT'S HAPPENING AT NEW LIFE

BUILDING & GROUNDS MINISTRY

We plan to do some landscaping in front of the building which will enlarge the parking lot and help the water/ice problem in front. We also have a couple painting projects, if anyone is handy with a paint brush. Please contact Benne, Roy or Carole

We need more volunteers to help clean the church. When we have 3 helpers, it only takes one or two hours. Then we go out for dinner and have a good fellowship time. Please come join us. You really shouldn't let us have all the fun.

Does anyone have any strong preferences to paint or not to paint the back fence?

REACH MINISTRY

September was a busy month. We had the church picnic the 7th here on our property to celebrate 1 year of ownership. Lots of good food and fun. After everyone was suitably filled up, a group of volunteers went over to the fairgrounds and picked up several bags of garbage. This was our service to the community. If you know of anything that we can do to help Viroqua or an individual, please let us know. The day ended with a campfire and s'mores. Paul & Susan lead a sing along. It was so popular, that we decided to do it again on the 19th. October is a great month for campfires! Maybe we should do it again?

### AWANA

Awana started up on Wednesday, Sept 24<sup>th</sup>.

35 Children have signed up to date. This is a wonderful ministry for our kids, and a big commitment for the leaders. More helpers would be appreciated. Please keep all the leaders and volunteers in your prayers.

During the re-siding, Get-R-Done's Shawn Shaner was under Todd Aspenson when he fell off the ladder. They were both hurt, but fortunately Shawn didn't break anything. Todd however suffered some broken bones. We passed the bucket for Todd on Sept 21, and sent him \$90.88 to help him with expenses during his recovery. Please keep him in your prayers.

### KWIK TRIP CARD SCRIP PROJECT UPDATE

We have purchased over \$13500 in cards. We keep cards on hand, so you do not have to pre-order. The cards swipe at the pump and you can purchase food items in the store as well. Please continue to support this effort. The church receives 10% of the proceeds.

Ask Pauline, or Carole to pick up a card today!

Please continue to bring in your **cleaned** Kwik Trip milk and juice caps or labels to the church. Awana gets the proceeds from all that we turn in. Thank you!
