A LETTER OF APPRECIATION FROM THE LIFE LINE SCREENING'S HELPING HANDS

Dear Pauline,

Recently you joined forces in Life Line Screening's mission to help identify undetected disease by participating in the Helping Hands program. Many organizations have partnered with us in an effort to bring these affordable health screenings to their community and it is because of your graciousness that we continue to be able to offer these tests nationwide.

As you know, Life Line Screening's Helping Hands Program has a goal of donating \$10 for each and every person *you* help. By guiding them specifically to your local event, Life Line Screening makes a donation, which can be used in a variety of ways to help *your* personal mission, whatever that may be.

To express our gratitude for your assistance, we will be sending a check within the next 45-60 days if you have had participants who signed up (through one of the three exclusive Helping Hands methods) and attended the event on 8/18/2015. By opening your doors, not only were you able to possibly help save the lives of people you may not know, but you were also able to bring awareness to those members you hold dear.

We thank you so much for your belief in prevention and look forward to working again in the future when we'll once again be able to give help the community, both by identifying unknown disease, as well as providing a way for you to prosper.

We appreciate all your help and support.

Sincerely,

Susan Patchen

KWIK TRIP SCRIP CARD PROJECT UPDATE

We have purchased over \$21,500 in cards, which means that Kwik Trip has donated over \$2,150 to our church. These cards are easy to use at the pump or in the store for food. Please support this effort.

THANK YOU!

A great thanks goes out to all who donated their winter clothing, and purchased backpacks and school supplies.

Also to those that set up for our BACK TO SCHOOL CLOTHES CLOSET event that was held on 8/22.

The Reach Ministry wants to thank you for helping to serve in the church and in the community.

New Life Vision Statement

Our vision ... is to become a community of believers who **look like Christ**, seeking to **change lives** within the church, across the street and around the world.

HALLELUIA MOMENT

Terry & Gloriane Noble

Were married on Saturday, August 1, 2015.
Congratulations to both of you again!

THE RING BEAR

A little boy was in a relative's wedding. As he was coming down the aisle, he would take two steps, stop, and turn to the crowd. While facing the crowd, he would put his hands up like claws and roar. So it went, step, step, ROAR, step, step, ROAR, all the way down the aisle.

As you can imagine, the crowd was near tears from laughing so hard by the time he reached the pulpit.

When asked what he was doing, the child sniffed and said, "I was being the Ring Bear."

KWIK TRIP MOOLA CAP AND BAG TOPS

Please continue to bring in your Kwik Trip milk and juice caps or labels to the church. We ask that you clean them before dropping them off. Awana get the proceeds from all that we turn in. Any questions contact Carol.

Thank you!
